

SIERRA CLUB AIRPORT MARINA GROUP

While we are DARK at Chase Park in July and August there are things you can do ---

1. Attend Del Rey Neighborhoods Council Planning & Land Use Committee Meeting Thursday, July 19th at 7pm. Support Ballona Institute and Villa Napoli Homeowners Group efforts to **save the Tule Wetlands** (a wildlife corridor) along the 90 Freeway on ramp from becoming a 2000 foot x 60 foot paved parking lot with bright lights.
3. Review Grassroots Coalition / SaveBallona's **4 Best Reasons** why Ballona Wetlands Ecological Reserve (BWER) DEIR/S is fundamentally flawed, DEIR/S must acknowledge Ballona (BWER):
